of 1954

We, the Senior Class
of 1954, are proud
to dedicate the Kay
to our principal,
H. H. Grice

MR. H. H. GRICE

Mr. Grice was a wise counselor and a helping friend. He seemed to understand our problems.

We, the members of the Class of 1954, wish to take this opportunity to express our gratitude to him for leading our class through the final years of school.

The "old building" as it is commonly called contains the home rooms for the first eight grades. It is filled with many memories of the schooldays of yesteryear.

The new building houses the upper four grades of High School. We have journeyed up and down these halls for the past four years. Adjoining the class rooms is the gymnasium where we have watched many a thrilling ball game. It was here we gave our Junior and Senior plays which were highlights of our high school days.

Class History

On September 1st, 1950, twenty-eight Freshmen entered Kirklin High School, with a shy, uncertain look on their faces. These "greenhorns," as we were then called, were as follows: Geneva Pickard, Evelyn Cochran, Juanita Barrett, David Staton, McHenry Davis, Nancy Anderson, Joan Williams, Barbara Adams, Maryann Scott, Sue Nicholson, Keith Buntin, Kenneth Harris, Donald Johnson, Betty Peak, Jon Quick, James Hopp, Carolyn Howe, Sandra Sims, Gladys Klingler, Sue Jones, Joan Stowers, Katheryn Bougher, Betty Fulkerson, Ray Jarrett, Joyce Combs, Bob Hackett, Richard Glass, and David Williams.

Under the direction of Mr. Luzader, our sponsor, we elected the following officers: Bob Hackett, President; Nancy Anderson, Vice-President; Keith Buntin, Treasurer; Ray Jarrett, Secretary.

In September, 1951, we started the year with twenty-four members. In the meantime, we lost from our class Joan Stowers, McHenry Davis, Evelyn Cochran, David Staton, Sandra Sims and Betty Peak; but we gained Peggy Trees from Michigantown and Jack Scott from Kempton. During our Sophomore year, Juanita Barrett, Richard Glass and Jon Quick dropped out of the class. With Mr. Luzader as our sponsor, we elected as officers: Bob Hackett, President; Maryann Scott, Vice-President; Nancy Anderson, Secretary; Bruce Wiley, Treasurer.

In our Junior year our class officers were: David Williams, President; Maryann Scott, Vice-President; Peggy Trees, Treasurer; Bob Hackett, Secretary. Our class sponsors were Miss Gullion and Mr. Luzader. Joyce Combs and Ray Jarrett did not re-enter that year, but Jon Quick re-entered and later dropped out, along with Katheryn Bougher and Ken Harris. Marilyn Rader, from Frankfort, joined our class.

During the year, we presented our class play "Happy Daze", and entertained the Seniors at the annual Junior-Senior Reception at the Lincoln Hotel in Indianapolis. Also in our Junior year we sold magazines, and at noon and at ballgames during the second semester, we sold ice cream and cokes.

With the beginning of our Senior year, we lost but one classmate, Geneva Pickard. Our officers were: David Williams, President; Sue Nicholson, Treasurer; Maryann Scott, Vice-President; Bob Hackett, Secretary.

Our activities during the year, under the direction of our Sponsors, Mr. Luzader and Mrs. McCreary, were many. To list a few, we might say these were the main ones: Our class play "Aunt Cathy's Cat"; the publishing of the *Kay*, directed by Mr. Myers; our class trip to Niagara Falls; and, also, the one activity we can't forget, the Freshmen initiation.

Five members of our class have gone to Kirklin School for twelve years. They are Betty Fulkerson, Maryann Scott, David Williams, Jim Hopp and Keith Buntin. We can say, with truth in our hearts, we have enjoyed our years at K. H. S.

KIRKLIN TIES MORTON MEMORIAL, 7-7

The Kirklin Travelers opened the season with Morton Memorial on September 4, 1953. Kirklin was on their way to victory until the last 50 seconds of the ball game when Tom Brown went around his right end for the score and also the extra point.

Kirklin got an early lead by scoring in the first period. Bob Hackett scooted over his right tackle for 37 yards and left the ball on the six yard line. On the next play Ken Buntin went around his left end behind good blocking for the score. The same play was run for the extra point, but brother Keith ran the right end for the score. This was one of Hackett's best games on defense. Our backfield averaged about 148 pounds but their speed got them out of many jams. The game ended in a 7-7 tie.

KIRKLIN ROMPS OVER CHARLTON, 56-0

The game opened with the Travelers kicking off. Charlton was forced to punt and Kirklin took over on their own 40 yard line. On the third play Keith Buntin, with some good team blocking, ran 40 yards for the score. At the half Kirklin led 28-0.

In the second half Kirklin scored before Charlton handled the ball. The Travelers continued this way until the final gun, giving Kirklin a 56-0 win. Every man in the backfield scored except one. This was the largest winning margin since 1921.

KIRKLIN FALLS TO BROWNSBURG, 20-19

In the first half Brownsburg took full advantage of Kirklin's mistakes and scored 13 points while Kirklin failed to score.

In the second half it was a different ball game. Keith Buntin set up the first touchdown by running 50 yards around his own right end to the 20 yard line. A few plays later he bounded into the end zone for the score and also the extra point.

In the fourth period Ken Buntin took a hand-off from quarterback Don Stevenson and ran 65 yards for the touchdown. A few plays later, Keith scampered around his own right end for 30 yards to put the ball in scoring position. Keith finally scored after several drives at the line. The game ended 20-19 in favor of Brownsburg.

FRANKFORT EDGES KIRKLIN, 7-6

The Travelers met one of their favorite rivals at Kirklin on October 25, 1953. Kirklin kicked off to Frankfort and the Nighthawks drove to the Kirklin 30 before losing the ball on downs. In two plays Kirklin had moved the ball to the Frankfort 39 yard line. A few plays later Keith ran around his right end for the score, but the try for the extra point failed.

Frankfort scored in the second quarter and made the extra point. In the second half Kirklin was on the two yard line twice but couldn't push it across. Also, in the second half Kirklin had the ball 33 plays to Frankfort's 9 but still lost. Kenny Buntin received an injured ankle and Keith Buntin a broken nose and a cut mouth, but Keith came back and played. The game ended with the Travelers on the short end of a 7-6 score.

KIRKLIN TRIUMPHS OVER SHERIDAN, 14-7

Keith Buntin scored two touchdowns, with the hard blocking of his fellow teammates, to lead the Travelers to their second triumph of the season on October 2, on the Kirklin gridiron. The Travelers upset the Blackhawks 14-7 before one of the largest crowds of the season. Ken Buntin romped 50 yards in the first quarter for pay-dirt but stepped out of bounds midway to the goal line. Again in the third quarter Ken ran 40 yards for a touchdown, but it was called back because of a holding penalty. In addition the Travelers had advanced to the one yard line when the final gun sounded, after Bob Hackett had intercepted a Blackhawk pass, which put Kirklin in a scoring position. Bruce Wiley, tackle, and Bob Hackett, line backer, held down the left side of the Travelers line on defense and threw the Hawks for many losses while they got few short gains.

Max Stowers, one of our better lineman, received a broken left arm. Max was missed greatly the remainder of the season. He is a Junior so he will be back next year.

The first touchdown came on a 15-yard run by Keith Buntin, and Ken ran the extra point. In the second quarter Max Stowers and Bob Price opened up a hole over tackle and the backfield led Keith through for 55 yards. Jim Loveless ran the extra point.

Sheridan counted in the third quarter when Bud Harris tossed a 15-yard pass to Jerry Ottinger and later added the point. Kirklin also got the OLD WATER BUCKET from Sheridan.

KIRKLIN WINS OVER DELPHI, 27-6

The Kirklin squad kicked off to Delphi in a thrilling game at Kirklin on October 9, 1953. During the first few plays Kirklin recovered a Delphi fumble. On the first play Ken Buntin, with the help of Bruce Wiley and Wayne Kelley and perfect blocking by the backfield, slipped over left tackle for 25 yards for the first score. The point was no good and Kirklin led 6-0. The Travelers added two more scores in the first quarter to make it 20-0.

In the second quarter Delphi scored but failed to gain the point. The half ended 20-6 with Kirklin on their own 20 yard line.

In the third period, quarterback Don Stevenson pushed over the touchdown and the extra point on a quarterhack sneak.

From this time on the game was defense with Wiley and Hackett being outstanding.

TRAVELERS LOSE TO WESTFIELD, 13-7

The Kirklin squad journeyed to Westfield on October 16, 1953. The Travelers were held on their running plays, but a pass to Bob Price for 30 yards scored Kirklin's only touchdown.

Westfield scored in the first period on a 15-yard pass. Center, Norman Wills blocked the extra point. Keith Buntin ran Kirklin's extra point.

In the last two minutes Westfield tossed a pass for 35 yards for the score. The point was good to win 13-7.

TRAVELERS FALL TO LEBANON, 20-7

The Travelers ended their gridiron season at Lebanon by losing 20-7, on October 21, 1953. Lebanon scored in the first quarter to make it 7-0. At the half it was still 7-0. Ken Buntin injured his ankle in the first few plays and had to be taken out of the game.

The Tigers scored again in the third period to make it 13-0. Keith Buntin was injured and removed from the field but later came back to play. The Travelers were held by a strong defense throughout the game. In the fourth quarter Collier crossed the goal line to make it 20-0. A few minutes later, after a roughing penalty, fullback Bob Hackett smashed over guard for the touchdown and the extra point to make it 20-7. This was the last game for Bruce Wiley, Jim Hopp and our two co-captains, Keith Buntin and Bob Hackett.

The Kirklin Junior High resumed football after a couple of years layoff. The main purpose was to get the boys acquainted with body contact work and a few of the fundamentals. Only one game was scheduled, the opponent being Frankfort. After holding the Little Nighthawks scoreless until the closing seconds of the first half, the Kirklin Tourists succumbed 21 to 0.

County Tourney

The Travelers won the 18th annual Clinton County tourney for the first time on January 23, 1954.

Kirklin was placed in the tough four game bracket, having to play Thursday night, Friday night, Saturday afternoon, and Saturday night.

In the first game of the tourney Kirklin defeated thrice beaten Jackson 69-48. Mulberry's tall Berries were the second victim 62-52.

The semi-final game with Forest was a thriller all the way, neither team enjoyed more than a five point lead at any time. The final result was a 43-40 overtime victory for Kirklin.

Michigantown, who had won sixteen straight games, was Kirklin's opposition in the championship game. The Travelers came roaring back from a nine point fourth-quarter deficit to send the game into an overtime. In the overtime Kirklin scored three points while holding Michigantown scoreless, to gain the victory and the championship.

KIRKLIN WINS FIRST TRACK MEET

March 24, 1953, Kirklin romped to victory over Rossville 96²/₃ to 32¹/₃. Kirklin took 11 firsts, 9 seconds, and 4 thirds. Rossville took 2 firsts, 4 seconds, and 6 thirds. It was a flying start for the new season.

KIRKLIN ROLLS OVER KEMPTON

The Travelers, on April 1, defeated Kempton by a score of 107²/₃ to 21¹/₃. Kirklin took 13 firsts, 9 seconds, and 6 thirds. Kempton gained 2 seconds, and 5 thirds. The meet was held at Stott Field, Frankfort, Ind.

KIRKLIN DEFEATS JACKSON

April 8, 1953, Kirklin Travelers once more ran away from the Jackson Cardinals 100²/₃ to 21¹/₃. Kirklin took all first places, with the exception of the pole vault.

TRAVELERS DOWN GANDERS

The high stepping Travelers met the Michigantown Ganders at the Kirklin field April 14. The Travelers downed the Ganders 89 to 40. Kirklin took 7 of the 11 possible first places. Kirklin also took 9 of the possible 11 second places, and 7 third places.

KIRKLIN WINS 3-WAY MEET

Kirklin was host to Michigantown and Scircleville in April. The final outcome was: Kirklin 95¹/₃, Michigantown 31, and Scircleville 27¹/₂. The Travelers had little trouble with the visitors as they took 9 first places.

Kirklin Wins Fifth County Meet

The Travelers finished a perfect season on April 23, as they won the County Track and Field Meet for the fifth year in a row.

Kirklin totaled 125 points. Their nearest competitor was Michigantown with 49½ points. Other scores were as follows: Scircleville 34, Little Jeff 20½, Jackson 18, Mulberry 10½, Forest 10, Sugar Creek 0.

Kirklin broke several records during the meet. Hackett ran the low hurdles in 22 flat. Douglass ran the 220 in 24.4. Price tied his record of 2:17 for the half mile. The mile relay team also broke the County record by taking it in 3:55.5. The Travelers also set a new half mile relay record with a time of 1:41.5.

all Seniors looking over events to come.*

The candy machine was a busy place around K. H. S., especially after each class. Many nickels were spent and many faces have been seen in this mirror.

In and around the lockers there was a rush between classes. It was a mad scramble for hats, coats, and books after the bell for dismissal.

Sunshine Society

The Sunshine Society has lived up to its motto, "Others", by contributing to such funds as March of Dimes and Riley Fund. At Christmas time the Society gave baskets of fruit to the needy. Some of the other projects of Sunshine were selling candy and cards to secure funds. The Society also enjoyed several parties during the year.

Sunshine Initiation

The Sunshine Society had a very inspiring Freshman initiation on September 30, at the Christian Church. This year was the first time the initiation had been formal. The initiation was conducted by the officers, Nancy Anderson, President; Eleanor Hackett, Vice President; Peggy Trees, Treasurer; Christine Cox, Secretary. Some of the Senior girls were the candle bearers. They were Maryann Scott, Marilyn Rader, Betty Fulkerson, Carolyn Howe, Sue Jones, Sue Nicholson, Barbara Adams, and Joan Watson. Mothers were guests at the initiation. Refreshments were served in the basement to fifty members and most of their mothers. Mrs. Kreisher is the sponsor of Sunshine.

KIRKLIN MERRY MAKERS 4-H CLUB

Officers: President, Nancy Purciful; vice president, Patsy Walker; secretary and treasurer, Charlotte Davis; reporter, Patsy McClain; song leader, Janice McCreary; recreation leaders, Barbara Harris and Pat Lane; Health and Safety leader, Martha Harris.

JUNIOR LEADERS

Junior Leaders: Charlotte Davis, Nancy Purciful, Patsy Walker, Janice McCreary and Margaret McClamroch.

There were 38 members enrolled in 4-H this year and 36 of them completed their projects.

The club had 11 meetings, which consist of 9 regular meetings, a trip to Indiana Beach, a Mother's Day program.

95% of the members completed their projects.

The total number of projects undertaken was 75. The number of members enrolled in each project are as follows: Baking, 28; Clothing, 21; Food Preparation, 17; Food Preservation, 6; Home Improvement, 3.

The club meetings were held on the second and fourth Wednesdays of each month at 2:00 P.M.

Barbara Harris won the County Cherry Pie Baking contest.

Our leader last year was Ruth Valley. This year we have a new one, Mrs. Donald Mennen.

KIRKLIN HOOSIER FARMERS 4-H CLUB

Officers: President, Larry Stowers; vice-president, Terry Moses; secretary-treasurer, Nancy Purciful; reporter, Patsy Walker; recreational leader, Charlotte Davis; song leader, Patricia Lane; Health and Safety leader, Max Stowers.

Junior Leaders: Patsy Walker, Nancy Purciful, Charlotte Davis, Larry Stowers, Max Stowers, and Terry Moses.

There were twenty-seven members who completed their projects out of the thirty members who started. The club had eight regular meetings and three recreational parties. The average attendance at the regular meetings was twenty-seven. Thus, this made the average attendance 100% of the number of completed members. A total of fifty projects were undertaken.

The number of members in each project were as follows: Pig, 11; Garden, 9; Dairy, 9; Poultry, 7; Beef, 3; Corn, 2; Soybeans, 2; Tractor Maintenance, 2; Shop, 2; Lamb, 2; Electric, 1.

The regular meetings were held on the second Tuesday of each month at 7:30 p. m. and the recreational meetings were held on the fourth Tuesday of the 3 summer months.

The club had two leaders: Delyn Werner and William Padgett.

The Farm Bureau presented each of the completed club members with a pin indicating their particular year of 4-H, and also a supper.

Mechanical Drawing

In the beginning of our course, we drew geometric figures and designs. Following this, we took up letters and numbers. Next, we took up lessons on symbols for building materials. Later on we began to practice laying out plans on side, end and front views of sketches. The class teaches neatness, accuracy and understanding of the mechanical make-up of designs and geometric figures.

Advanced Agriculture Class

The Advanced Agriculture class met the fourth period under the supervision of Mr. William Padgett. We studied most all phases of Agriculture this year: Soils, live-stock production and management, farm management and also the future for Agriculture. We worked in the shop from the last of January to the middle of March. It was a very good way to learn how to use tools properly and take care of them in the proper way. Almost everything was made in the shop from chicken feeders to hog houses.

We feel that this has been a very hard but a successful class.

General Mathematics

General Mathematics was a class in general mathematics. The class studies varied somewhat by studying Arithmetic, some Geometry, and Algebra. Thus in the course the student gets a general understanding of most kinds of mathematics.

Spanish Club

The Spanish Club meets once a month to take care of business and plan club activities. The first semester the club had a wiener roast at the home of Donna Campbell. A Christmas party was held in the Home Economics room.

Office Practice

The office practice class, under the direction of Mr. Davison, consisted of all Seniors. They were: Editor, Marilyn Rader; Reporters, Sue Nicholson, Betty Fulkerson and Carolyn Howe; Feature Writers, Peggy Trees, Nancy Anderson, Joan Watson and Maryann Scott; Artist, David Williams; Sports, Keith Buntin; Exchange Editor, Maryann Scott and Ditto Operator, Jim Hopp.

Besides publishing "The Traveler" every month, the class typed letters, tests, carbons, dummies, and other material given to them by the different teachers.

Each month, two weeks was spent in class recitation in which the class learned the different forms of letter writing, indexing names of businesses, alphabetizing and many other essential things that we must know in order to work in an office. The other two weeks of each month were spent in publishing the monthly paper.

Typing Class

Twenty-seven Juniors are learning their alphabet, numbers and punctuation on the typewriter. The class takes two of their periods each day, one for class exercises and the other for a practice period. A majority of the class has won 30 word pins on a ten minute speed test and a few have won 40 and 50 word pins. Three typing students will represent Kirklin in the Typing Contest held at Frankfort on March 27.

We feel that typing skill will be helpful to them in the future.

Chemistry Class

Chemistry class, instructed by Mr. Grice, met each day the second period. Three days a week, the class had recitations and the other two days were spent experimenting in the laboratory.

The members of the class were Gladys Klingler, Bruce Wiley, Don Johnson, Jack Scott, Nancy Purcifull and Sue Jones. All were Seniors except Nancy, who was a Junior.

Geometry

The Geometry class met the first period in the morning in Room 20. There were six members, Robert McMath, Tom Padgett, Kenneth Buntin, Ronnie Costlow, Terry Moses and Patsy Walker. Mr. Myers was the teacher. Board demonstrations of geometric propositions, problem constructions both at the board and upon drawing paper were a part of the regular work. Exercises and problems based upon the theorems proved were a part of the daily task.

High School Choruses

The High School Choruses consisting of 60 members will participate in the County Music Festival this Spring. They will also furnish the music for our graduation exercises and other Spring activities.

Orchestra and Band

The Orchestra and Band have grown larger this year, because of many more students who have taken up the study of instruments. Our instrument instructor and band director is Mr. Donald Holzhausen, of Indianapolis. Twenty-two pupils will take part in the County band on April 9, 1954.

Physical Ed.

The physical education class consisted of Freshmen and Sophomore girls. The instructor was Mrs. Colby.

Physical Ed. Class met three days the first semester and two days the second semester. The girls were divided into groups of six. Each group took turns in playing a game while the others watched. The group was given ten minutes in which to play the game and then another group took over. Some of the games were: Basketball, volley ball, deck tennis, tumbling, kick ball and a few other types of enjoyable exercises.

Also they have learned that only by careful thinking and planning can they produce something that is worthwhile. Mr. Myers was their teacher.

HOME MAKING III

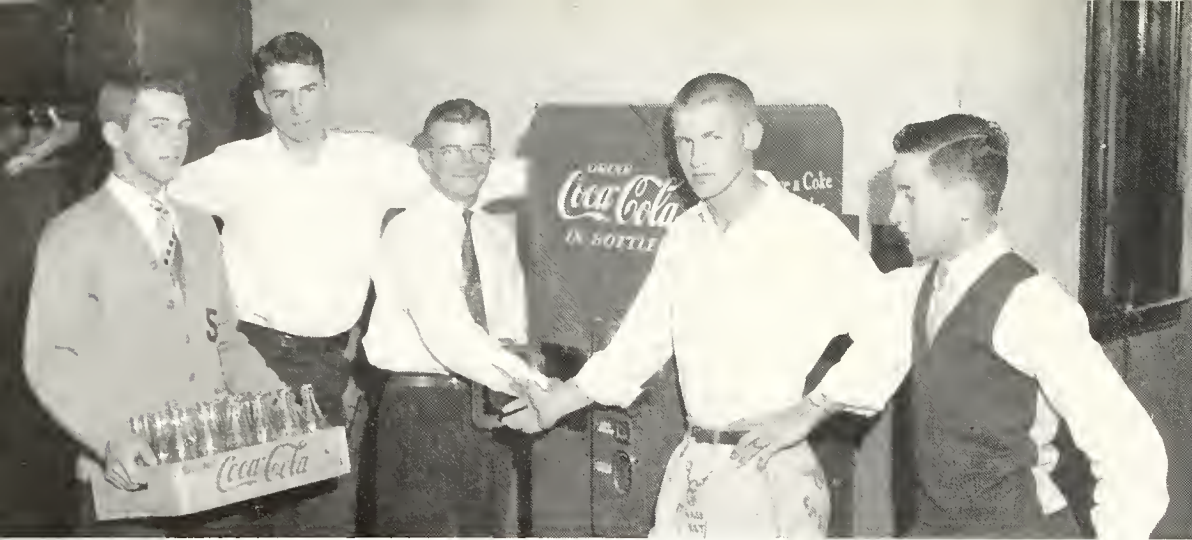

The program of the first semester consisted of Food Preservation, Family Relationships, Home Management and Housing. The second semester was devoted to the solving of clothing problems. There were fifteen girls in the class. Each girl learned something new. Mrs. Colby was the teacher.

ENGLISH CLASS

The Freshman English Class met in Room 33. Their goal was to learn as much about English constructions and expressions as they could. Special lessons in spelling and pronunciation were given from time to time.

The coke machine was a busy center of activity nearly anytime in the day. It helped to refresh us and relax our minds from strain of studying.

SENIOR MAGAZINE SALES

The Senior Class sold magazine subscriptions for the Curtis Circulation Company in September. The funds received were put in the treasury to be used for the class trip.

The class was divided in two groups with Sue Jones and Bob Hackett as captains. Sue's team sold a total of \$314.10 and Bob's team sold \$296.70, making a total sales of \$610.80. Sue Jones, who was high salesman for the class, sold \$154.10. Keith Buntin was second, selling a total of \$118.40. Both received trophies.

Certificates were given to those selling over \$30 worth of subscriptions. Those Seniors were: Nancy Anderson, Keith Buntin, Sue Jones, Jim Hopp, Bob Hackett, Peggy Trees, and David Williams.

ICE CREAM SALES

The ice cream stand is a very popular place during the noon hour. A group of students and Carl, one of our janitors, are seen here, apparently waiting to buy ice cream from two seniors, Bob Hackett and Jim Hopp.

CAFETERIA

ONE OF THOSE DAYS

LUNCH TIME

First Grade

Forty-seven little first grade children seated at desks and tables anxiously await instructions for the day's work.

By the end of the school term they will have completed eight workbooks and read eight books.

It is amazing how much is crowded into their first year program. Reading, writing, spelling, arithmetic, music and art are a small part of the work.

I think it was rightfully said, a child learns more their first year in school than any one year of school life.

To keep them happy and relieve the tension of school many parties are planned. Valentine, Christmas, Easter and birthdays are celebrated.

— Lulia M. Dunn, Teacher

Second Grade

Second Grade ready for work in "MAGIC NUMBERS".

Third Grade

This picture of the Third Grade was taken in October, and Halloween decorations were up.

For Geography they are studying a unit on Farming. The charts on the wall represent some of the things talked about in class, such as farm machinery, crops, products, animals, buildings and farming operations.

During October, we made a collection of pictures showing "October in Indiana." Pictures of beautiful Indiana landscapes, flowers, trees and nature scenes in general, were mounted on colored paper and placed on the bulletin board for all to enjoy.

The Spelling papers on the bulletin board are all with grades of 100% during the month of October.

Fourth Grade

In September 1950, thirty-three tiny boys and girls entered the "Kirklin School." Now there are twenty-two little men and ten little women and growing every day. They try hard to obey and cooperate.

We celebrate all holidays and birthdays in some way. The class is most interested in the refreshments that are served at that time.

Our motto is, "Work while we work and play while we play."

Fifth Grade

Thirty-eight boys and girls entered the fifth grade last fall. We have since lost one and gained three making a total enrollment of forty-one pupils at this time.

We have taken part in several interesting activities besides our regular school work this year. We had a hobby show in our rooms in which we gave speeches on our favorite hobby, also took part in the Christmas program and worked out a transportation unit in Social Studies. We are now working on outside reading and book reports.

Our class motto is "Busy students are happy students."

The principal activity of the G. A. A. during the school year was to interest girls of the school athletics and games. During the County Tourney the group was organized into a block to better organize the yelling section. Many times the girls wore white blouses with black ties to make a uniform appearance. Other times cards and streamers added to the enthusiasm and interest of the group.

KIRKLIN SCHOOL P. T. A.

The Kirklin School P. T. A. had one of its most successful years during the 1953-'54 season. It was off to a good start with the first executive committee meeting on August 29, when committees were named for working at the P. T. A. concession for all the home football games. Other money-making projects were the annual fish fry on November 12, and serving the Lion's Club supper in January and February.

The regular meetings were very well attended and the programs quite entertaining, especially the Amateur Contest for pupils from grades one to twelve, which was the high light of the February meeting.

The P. T. A. project for the year was the purchasing of band uniforms for the Kirklin School band. The P. T. A. also sponsored the athletic banquet on March 16, in honor of the football, basketball, and track teams.

The interest and enthusiasm of both the parents and teachers produced splendid cooperation, and to this spirit we attribute the successful year of the P. T. A. for 1953-'54.

Mrs. Grace Kingsolver, Sec.

ANNA MAE KRAMMES SCHOOL NURSE COUNTY SCHOOL HEALTH SUPERVISOR

The school nurse makes a periodic check up in the school to protect the health of the student body. Hearing and sight are given and students having any defect are advised concerning their condition and referred to their own family physician. Patch tests, immunization surveys and other services are only a part of the valuable work of the school nurse.

Senior Class Trip

On March 27, 1954, the Senior Class, sponsors, and guests took a five-day class trip, conducted by the Forlow Travel Bureau of Frankfort. The first night was spent in Cleveland, Ohio.

The second and third days were spent touring Niagara Falls. The class also saw Old Fort Niagara, Goat Island, Luna Island, and Prospect Park. The class visited the falls on the Canadian side, seeing it from the famous Queen Victoria Park. While on the Canadian side, several of the group took a cable car ride over the rapids. The class went down the river to Lake Ontario, and also visited the Nabisco plant.

On the fourth day, after visiting the Welland Canal Locks, the class journeyed on to London, Ontario, where they ate lunch and spent some time shopping. They arrived in Detroit that evening and spent the night at the Hotel Tuller.

For the fifth day, the class visited the Belle Island pleasure resort, then to Greenfield Village for a visit of the Edison Museum. At the Willow Run Airport they ate lunch and continued home through Coldwater and Fort Wayne.

JUNIOR CLASS PLAY

The setting of the play was in the Morlock living room. The time was the present. The plot centered around Mr. Morlock who was a fidgety, nervous, grouchy old goat. His chief interest was money. Complications arose when he fell asleep and dreamed he was haunted by the father of the young man who wanted to marry his daughter. The activities of the family continued in normal manner, but Mr. Morlock, being a ghost, could only look on in agony. Just about the time Lucifer came to take him to Hades, he was rescued by being awakened. The dream was a turning point in his life and a happy ending resulted for all concerned.

CALENDAR

September

- 1 Back to School, it's just a half a day with little work and a lot of noise and confusion.
- 2 We had to go all day today. It was very hot, and it was difficult to study.
- 3 Because of the heat they let us out of school at noon. Today the big hike took place.
- 4 The mechanism of KHS went back into full swing today. One lucky bus got out at noon. We finally got some relief from the heat, with rain all day. We had a football game with Morton Memorial, it was played to a tie, 7 to 7.
- 8 We didn't have to go to school yesterday, it was Labor Day. Today seems like Monday to nearly everybody. Seniors had their first class meeting.
- 9 The Crowell Collier magazine man came to see the juniors. The team captains are David Staton and Norman Wills. Richard Strawn, Jim Hill, and Ronald Gray visited school today. A dog spent the night in the girls' rest room.
- 10 Mrs. William Stevenson's funeral was held today. Chemistry went up in a boom! No cork. Glee Club.
- 11 The seniors elected the annual staff today. Hurrah! No Civics Class. The seniors started selling ice-cream. Pep session was held. We had our second football game with Charlton, the score was 56 to 0.
